

Time Guardian Plus for Macintosh® **FREE 14-DAY TRIAL**

It's productive. It's professional. And it's free for you to try.

Download your free, 14-day trial version of Amano **Time Guardian Plus** software, and manage your time and attendance functions while streamlining your payroll management. **Note: This is a 1-user and 100-employee trial version which is fully functional for 14 days after installation. . All data imported and added during the 14-day trial is immediately useable after the 14-day trial period upon activation for permanent use.**

If you are interested trying the Time Guardian Plus software please press DOWNLOAD button or copy and paste this link to your Web browser:

<http://www.amano.com/free-trial/TGPlus201MacOSXTrial.zip>

Note – First unzip, then run install.app.

IMPORTANT INFORMATION PLEASE READ CAREFULLY!

Please follow the simple setup instructions listed below:

- Step 1.** Use the link provided below to download the TG Plus trial Macintosh software and run the TG Plus **install.app** program.
- Step 2.** When the **Authentication** screen appears enter Administrator password to continue.
Note – Two screens will be open, one to install Firebird database and the other to install the USB serial driver.
- Step 3.** Follow the on-screen prompts to complete the Setup Wizard to configure the software. As a minimum, Setup Wizard steps 5, 7, and 9 must be completed to login.
- Step 4.** Login to TG Plus using the user profile and password created in Step 9 of the Setup Wizard.

Note: For additional help with the software please download and see the [Time Guardian Installation and User's Guide](#). Also, see [Macintosh Installation Notes](#) for additional installation help.

Now you may begin the no risk **FREE 14-day trial period!**

Your feedback is always appreciated. Please email your comments to TGSupport@amano.com.
